

Press Release

Intelligent Sensor Networks Conference

November 3rd, 2015

High Tech Campus Eindhoven, The Netherlands

An Invitation for the Media to Take a Glimpse into the Invisible Power of Sensor Networks, November 3rd

Eindhoven - On **November 3rd**, 2015, the 6th edition of **the Intelligent Sensor Network Conference** will take place at High Tech Campus Eindhoven, The Netherlands.

Sensors and sensor networks have been gaining grounds within our daily lives for our personal use as well as for industrial or business use. Real time information from 'the real world' to support decision making and control of vital processes will be an integral part of everyday life.

The ISN Conference will dive into the world of sensor networks and their invisible power, tackling with specific related issues.

The **main topics** will focus on three important areas:

- Smart Infrastructure (Building Management, Infrastructure Monitoring, Bridges, Water management)
- Smart Industry / Industry 4.0
- Smart Logistics

Top **speakers** from **Cisco, TNO, Amsterdam Arena, CSIC, University of Cambridge, JePPIX, Koning & Hartman, Trakkies, WIBU-Systems/ Industrial Internet Consortium, AAEON, Ideatics and UtterBerry Ltd** will provide brilliant insights into the three areas of interest.

The event will include a **seminar** with keynote, **parallel sessions** and an **exhibition** area with innovative professionals and start-ups, as well as a lively lunch and networking reception.
