

PRESS RELEASE

7th edition of the Unmanned Cargo Aircraft Conference

November 28, 2018, RAI Amsterdam, Amsterdam, The Netherlands

<https://unmannedcargoaircraftconference.com/>

On November 28, 2018, the 7th edition of the global Unmanned Cargo Aircraft Conference will take place during Amsterdam Drones Week, at RAI Amsterdam, in Amsterdam, The Netherlands. During the conference, internationally renowned speakers will introduce UCA development projects and potential applications.

Speakers from Wings for Aid, The World Bank, US Cargo Systems, TNO, University of Twente, Astral Aerial Solutions, (UN)MANNED, Singular Group, Avy and Delft University of Technology will share the status of the latest developments and trends in the field of unmanned cargo aircraft.

The presentation titles include: Medical Drone Flight in the Netherlands | Silent Delivery Drone, Silentium | Africa – The next frontier for Commercial Drones | Key learnings of Cargo Drone mission for UN in Dominican Republic | Opportunities for Cargo Drones in Africa and Lake Victoria Challenge | FlyOx Cargo Drone and more.

Furthermore, the program will also include a 30-minute press announcement. Amsterdam University of Applied Sciences, Netherlands Aerospace Centre (NLR) and University of Twente will launch a new initiative with the purpose to accelerate the introduction of unmanned cargo aircraft.

The complete program includes 10 speakers from international well-known companies, associations and start-ups.
