Press release: Two-day 3D Printing Event covering all steps of Additive Manufacturing value chain in 5 dedicated conferences & expo

On April 16 and 17, 2019, Brightlands Chemelot Campus in Sittard-Geleen, The Netherlands, will host a two-day 3D Printing Event covering the entire Additive Manufacturing value chain, from 3D Printing design to factory integration and post-processing.

The event includes five dedicated conferences, where over 30 speakers from reputed companies, universities and research institutes will share their views, and a two day-expo.

On April 16, 3D Printing Materials Conference and 3D Printing Design & Engineering Conference will take place. Speakers from DSM, Viscotec, CEAD, Brightlands Materials Center, Green Pac, Design 8, Quintus Technologies, Flanders Make, cards plm solutions, Sirris and UK National Centre for Additive Manufacturing will talk about the latest developments in 3D printing materials and design for 3D Printing.

On April 17, 3D Printing Post-Processing Conference, AM Integrated Factory Conference & 4D Printing & Meta Materials Conference. Among the topics that will be discussed, we mention: Automated Surface Finishing for 3D-printed metal parts as enabler for serial production | Industrial Finishing Solutions for High-Volume AM Applications | Programmable Meta-materials Based on Multistable Meta-atoms | A DIY approach to Rapid Liquid Printing and more.

For more information about the program, we invite you to visit <https://www.3dprintingevent.com/>

The event is organised by Jakajima and hosted by Brightlands Chemelot Campus. If you want more information or want to get a press ticket, please contact us via [this form](#)

About Jakajima

Jakajima is the matchmaker for innovators in the high tech industry, ranging from 3D printing to Internet of Things, from Drones to Health Tech. We organize those activities that bring innovators from different value chains and different professions together, in order to endeavour innovations and to create new partnerships, products and/or services.
